Expenses for one (1) school year (Fall and Spring semesters, totaling 9 months) at Northeastern Oklahoma A&M College are approximately $17,500 USD.

United States Citizenship and Immigration Services (CIS) regulations require documentation that sufficient financial resources are available to meet a student's prospective educational and living expenses while in the U.S. Therefore, Northeastern Oklahoma A&M College requires a guarantee of financial resources from each applicant who expects to obtain or maintain Student (F-1) or Exchange Visitor (J-1) status. Applicants are required to submit financial documentation that equals or exceeds one academic year of expenses, for the program of study they are interest in pursuing. Adjustment sin the financial certification cannot be made based on a student's individual circumstances. This estimate is based upon 12 semester hours each semester for associate degree studies.

A Certificate of Eligibility (I-20) will not be issued until this information is provided and verified.

Scholarships available to international students at NEO are very limited and students should not rely on outside funds to finance their educational, living or emergency expenses. Please refer to the NEO Development Foundation for more information regarding scholarship opportunities.

*International students must provide proof of financial resources equal to **$17,500 USD**, which may include personal funds, scholarships, grants, and private aid.
