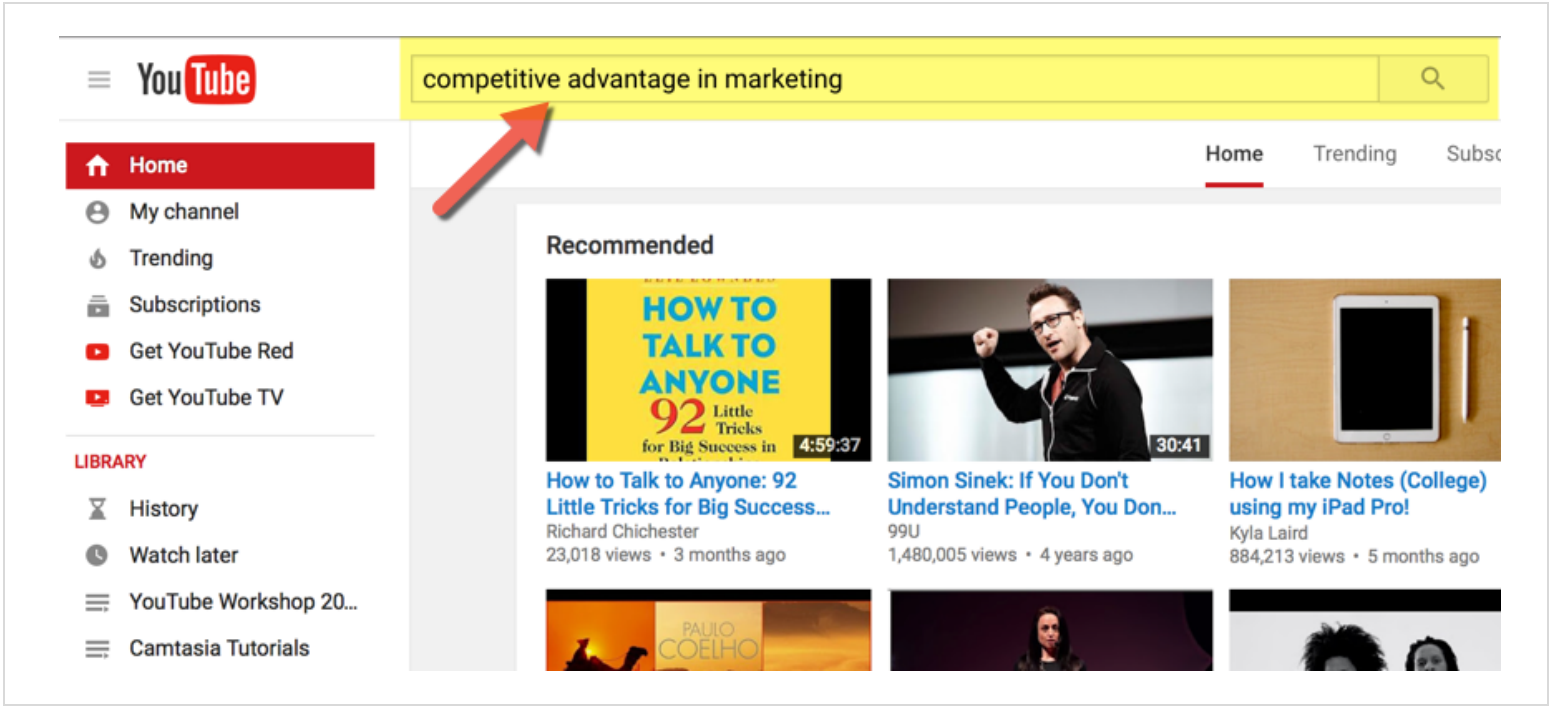
Search YouTube for Videos with Captions

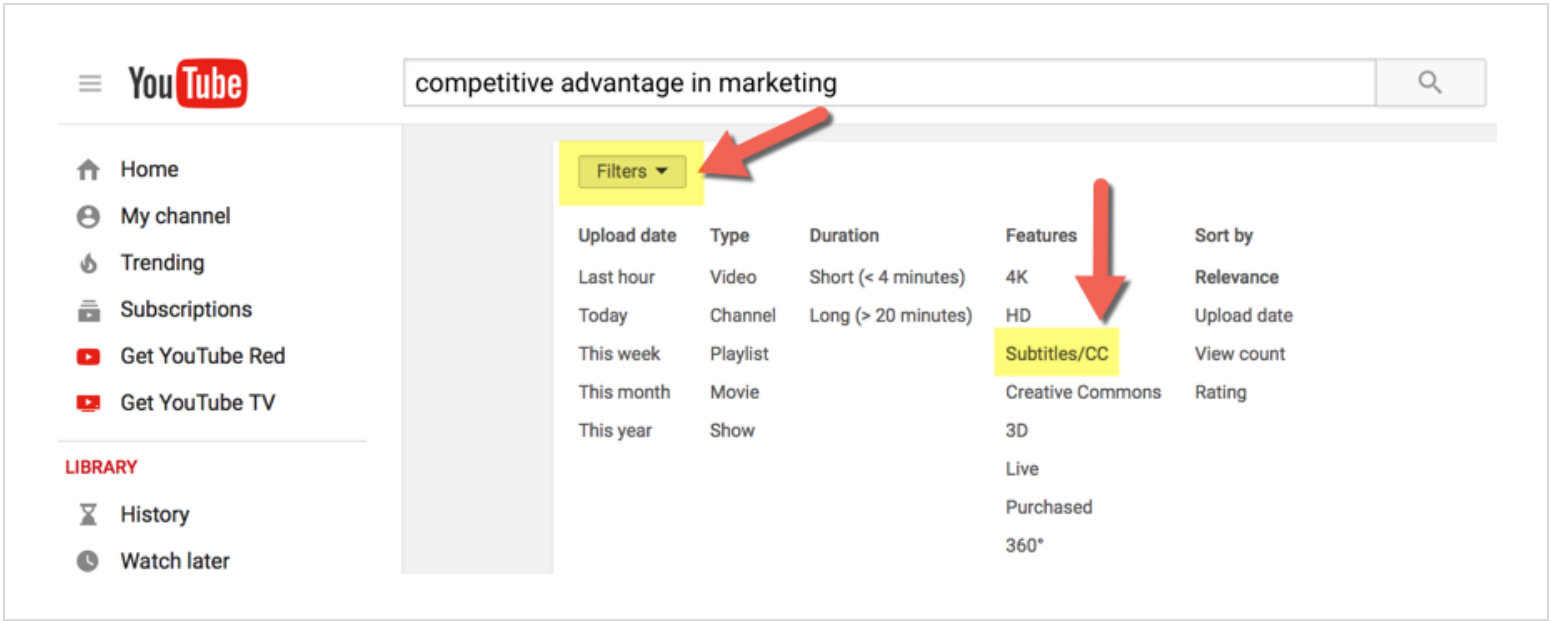
[Search for Videos with Captions YouTube Support Page]

Videos with captions available will have a “CC” icon underneath the video summary in search results. If you’d like search results to only show videos with captions available, enable this search filter:

1. Enter your key words in the YouTube search bar.



2. Click the Filters button and select Subtitles/CC from the drop-down menu.



3. Only videos that are related to your key words AND have Closed Captioning will display in your search.
