Resident Life

Residence Halls – NEO provides housing for approximately one-third of its full-time students, each of whom must be enrolled in a minimum of 12 hours. Should a student fall below twelve (12) hours, NEO reserves the right to remove the student from a residence hall. Available residence halls include Dobson and Harrill, Russell, Vann, Dyer, Suites and Milligan Hall. Assignments to traditional residence halls are based on gender. In January 2012, the college opened suite style housing on the southwest corner of the campus. The suites are available to male and female students. In 2017, NEO added Milligan Hall for a quad style housing option, with two roommates per room and two rooms share a bathroom between.

Residency Requirements – All non-veteran single students, under 21 years of age, who do not live with parents or a legal guardian within a 50-mile radius of NEO will be required to live in residence halls. Requests for exceptions to this policy must be submitted in writing and approved by the Vice President for Student Affairs.

General Information – Students desiring residence hall reservations must submit a room application with the stipulated deposit. Assignments to the residence halls are made on a priority basis and based on the date the deposit is received in the Business Office.

Room and board payments do not include vacation and break periods when housing and food service facilities are closed. Food services are closed for Thanksgiving, semester break and spring break. All students must check out of the dorms for these breaks.

The housing and food service contract is for the academic year and normally will only be broken in highly extenuating circumstances. Housing charges will not be refunded under any circumstances. Students must live in the room assigned to them. Students living off-campus are not permitted to remain overnight without permission.

Each student is responsible for the residence hall room to which they are assigned. Damage to a room will be charged to an assignee. There will be periodic room inspections to determine cleanliness and damages. Anyone suspended for theft in a residence hall will not be allowed to reside in college housing thereafter.

Single Rooms – Single rooms are available for an additional charge and are assigned according to availability. When making single room assignments priority is given to returning students. Further assignments are made based on receipt of the housing deposit and no single rooms may be assigned if conditions are such that three people must be placed in a room.

Terms and Conditions of Assignment to College Residences – The following terms and conditions (1) provide standard operating policies for college housing facilities, (2) outline guidelines for mutual understanding between the student and college representatives and (3) provide a means by which prompt and accurate service and protection of property may be maintained.

Students must:

1. Check in personally with the Residence Director or Resident Assistant by processing a room condition card, Residential Life Behavior Agreement and student information card. Existing damage must be listed on the room condition card at this time.

NOTE: This form is filed and used again for move-out procedures.

2. Keep rooms clean and in good order. Room equipment and personal belongings should also be kept in good order and free from damage. **Note:** The room must be kept as it was found upon initial occupancy.

The College is not responsible for items left when a student leaves school without notifying someone or fails to check out properly. It will be at the Residence Director's discretion on how long to hold someone's personal belongings if a contact has not been made in a timely manner with reference to those items. After an appropriate length of time, the property will be discarded or donated locally after 30 days.

The College reserves the right:

- To cancel or change any assignment in the interests of the resident group or study conditions; in the enforcement of policies governing conduct and procedure; in the interests of health, sanitation, safety or reduction in occupancy during the semester; and in cases of recognized emergency;
- To enter any quarters for inspection, cleaning, repairs or for maintenance requests. This includes, but is not limited to, regular room inspections. Should prohibited items be found during these inspections, NEO reserves the right to confiscate these items until the student can remove them from campus.
- To levy and collect charges for damages to individual rooms or equipment.
- To levy and collect charges for damages to public areas, which includes hallways, lobbies, vending machines and bathrooms.
- To refuse housing to students who have been suspended from NEO or other institutions.
- The college is not responsible for personal injury or for loss or damage to personal property in residence halls by fire, theft or other causes.
- In the interest of health, safety and protection of property, possession or use of illegal drugs, inhalants, alcoholic beverages (or the possession of empty containers of such), incense, firearms, compression guns, slingshots, throwing

knives, machetes, hatchets, tools, weights, explosive (including firecrackers), incendiaries, darts, cracking whips, roller blades, motor and motorbikes are prohibited in residence halls or hall areas.

- No pictures or articles may be tacked or fastened in any way that is damaging to walls, woodwork, furniture or electric light fixtures. Room lighting is not to be altered. Windows are to be kept clear of all objects. Murals, decals, etc. are prohibited.
- The possession or use of kerosene, gasoline, benzene, naphtha or any other flammable fluid is strictly prohibited. The striking of fire by students is prohibited on campus except as it is used in officially approved college programs.
- Cooking devices and cooking of food are not allowed in the residence hall rooms. Students may use the microwaves provided in the halls.
- Noise making is prohibited. Any type of unauthorized public address device is prohibited. This includes drums, manual or electronic instruments and any other noise-making objects.
- Water balloons and flooding are prohibited.
- Items such as stop signs, street signs, parking meters, milk crates (except those purchased at a retail outlet) and street barricades are not allowed in residence halls.
- To ensure quietness and privacy for all students, babysitting in the residence hall is prohibited.
- Loitering around residence hall room windows is prohibited.
- Porches and stairways are considered a part of the residence hall and these areas are considered the same as inside areas. Loitering and noise making after 11pm in these areas are prohibited.
- Nude pictures or posters are not allowed on doors, on room walls or on ceilings.

The college reserves the right to restrict student curfews.

Note: The college reserves the right to interpret, revise, extend or grant exceptions to these terms and conditions on the basis of need and merit of individual cases.

Visitation Program for Residence Halls – Visitation is open twenty-four hours per day. All on campus and off-campus guests/visitors must be escorted at all times by the resident. Only one visitor per resident is allowed at all times.

All students and guests shall always dress appropriately and decently.

There will be no scuffling, fighting, loud noise or distractions of any kind in the halls or bathrooms. Loud, abusive, or otherwise improper language, loitering, assembling, creating a hazard to persons and lewd or obscene conduct are prohibited. Verbally or physically abusing, harassing, threatening, assaulting or endangering the health or safety of any person, including staff, on campus will not be tolerated.

Guests of the opposite sex must use the restrooms designated for visitors and must not use those belonging to residents.

Anyone guilty of violating residence hall guidelines will be escorted to the desk, Residence Director and Campus Police will be notified, if necessary, and the guest's identification will not be returned until appropriate action has been taken.

Anyone guilty of violating these guidelines will be reported to the Vice President for Student Affairs.

Services for Students with Disabilities

General Information – Students with any type of disability that requires special accommodations for access to programs or services may request assistance from their

instructor or the Americans with Disabilities Act (ADA) Coordinator. Please contact the Office of Student Affairs for additional information.

Accessibility – Classroom buildings are accessible by using ramps, chairlifts or elevators. Limited housing accommodations are available for ADA needs.

Parking Permits – Special parking permits may be obtained through the Campus Police Department.

Success Center

(The Success Center is located on the first floor of the Library Administration Building)

Academic Advisement

Each NEO student will be assigned to a faculty advisor from his/her major field to provide guidance regarding academic coursework and planning in preparation for degree attainment and/or transfer to another institution. In addition, the Success Center offers a variety of services to support students during the initial enrollment process and throughout their first year of college. Many students will be advised by a Success Center advisor for the first semester of their education career at NEO. The Success Center Advisors are available in the center year-round; they can also assist with schedule changes and academic planning.

Career Services

The Success Center offers vocational counseling and resources intended to aid students in determining a major field of study and a career choice. The advisement center also maintains a Facebook page (@NEOSuccessCenter) that lists local job announcements for current students and alumni. The Advisor in the Student Support Services program is also available to assist eligible students. Additionally, each academic school offers a Freshmen Year Experience (FYE) class for incoming students, which engages students in career exploration activities.

Counseling Services

The Counseling Office provides services for all students and is designed to provide support and aid that will ensure a student's academic and social success. Issues discussed may include academic, vocation, social or personal problems. In addition, counselors provide information regarding occupational trends, colleges and scholarships. A number of issues are addressed through workshops, support groups and individual counseling. The NEO Counselor's Office is located on the 3rd floor of Shipley Hall Room 304.

Note: Referrals will be made for counseling services unavailable at NEO.

Additional counseling services are available to all students, staff, and faculty through ComPsych® GuidanceResources®. Access is available to the Student Assistance Program for confidential Counseling which provides short-term counseling services and GuidanceResources® Online. The online services provide access to timely, expert information on thousands of topics. Services are available 24 hours a day, 7 days a week. Services can be access by calling 1-800-272-7255 to speak to a counseling professional or visit GuidanceResources® online at www.guidanceresources.com and enter ID: NEO.

Success Coaching/Retention Services

Between the Success Center and American Indian Center for Excellence, there are three Success Coaches ready to support your educational journey. These individuals work to ensure that all students are engaging in their classes and provided with resources to achieve success. Students can choose to meet with our coaches on a regular basis or see them as needed throughout any given semester. Students placed on academic probation are required to enroll in CLS 1023 Strategies for Academic Success. This is an interactive, seminar course that explores real life issues and is designed to provide a springboard for personal growth. Topics covered include personal management, time management, emotional intelligence, and goal setting. Additionally, at least one appointment with a Success Coach is required as part of the Strategies for Academic Success class.

Short-Term Loans

Funds were left in the memory of several individuals and organizations for emergency loans to students. Students may borrow up to \$50; however, the loan must be repaid within three weeks. A \$1.00 service fee is charged per loan. These short-term loans can be accessed through the Success Center in the Library Administration Building.

Enrollment Management and Student Records

Denial of Admission or Readmission of Applicants

Northeastern Oklahoma A&M College requires students to accurately report their criminal records on their application for admission. A review of each student who submits such information for admission will be completed. If a student is denied admission based on their criminal history, they have the right to appeal the decision. The review will be conducted by the Vice President for Student Affairs and the Vice President for Academic Affairs and make a final determination if the student will be allowed to enroll.

Northeastern Oklahoma A&M College reserves the right to review and consider applicant's previous actions, law violations, misconduct, rule violations, or any act interfering with the orderly conduct of the College in order to admit or readmit a student.

Change of Schedule

After registration, changes to a student's schedule may only be made with the permission of an academic advisor and the instructors involved. Students may not add a course after the first two weeks of the fall or spring semester. During the second week of each semester the student must have permission of the instructor to add a course. Once the second week of the semester has passed and a student drops a class, they will still owe tuition and fees for the class. The student's transcript will reflect a "W" for withdrawing from that course. After the twelfth week of the semester, a student who withdraws from a course may receive a "W" or an "F" for that course, per the instructor's discretion. Students that are not on campus do have the option to email the NEO Admissions/Registrar's office their drop request from their NEO email account. They will need to include their advisor's email in their request.

PIN for Web Access

All students can review information such as addresses, transcripts, grades, etc. on the Self-Service portal. This information can be accessed through my.neo.edu by using the GoldKey login and password. GoldKey will send an automated email to new students when the GoldKey account is ready to activate. The brief email will let the student know the GoldKey account is ready to activate, provide a link for activation, and provide their

PIN. The email will go to the alternate email provided by the student on their application. Any questions should be directed to the Registrar's Office.

Transcript Request

Official or unofficial copies of a student's transcript may be obtained at the Registrar's Office. NEO provides copies of transcripts at no charge since the service is covered in semester fees. Before a transcript can be released to a student or another school, a student's signature of authorization must be on file and their student account must be clear of holds for financial or other transcript holds. Students can print an unofficial copy of their transcript at any time by logging into the Student Self-Service portal and printing the copy. eTranscripts are available for students whose first term of enrollment at NEO was Fall 1999 or after. Information regarding how to obtain an eTranscript is available on the NEO website under Transcripts. There is an additional charge for eTranscripts.

Withdrawal from College

Students finding it necessary to withdraw from college at any time other than the end of the semester should officially withdraw by beginning the process at the Admissions/Registrar's Office. Students will be referred to offices The student's advisor as well as a representative from the Library, Success Center (short-term loans), Financial Aid and Business Office must sign the withdrawal form before the form is submitted to the Admissions/Registrar's office. Failure to complete the proper paperwork will result in the student receiving a grade of "F" for all classes for the semester. Students not on campus do have the option to email the NEO Admissions/Registrar's office their drop request from their NEO email account. They will need to include their advisor's email in their request. After the established drop/withdraw for each semester have passed, a student may make an appeal to drop/withdraw retroactively if their circumstances prevented them from withdrawing within the allotted time. The appeal must include the reason for the request and provide any supporting materials to verify the circumstances. The appeal will be reviewed by the Vice President for Fiscal Affairs, the Vice President of Academic Affairs, and the Registrar of the College to determine if a student will be completely withdrawn or receive a grade of "W" and be required to pay a portion of their bill. A portion of the tuition may be non-refundable to cover costs that the College has incurred for student services related to the enrollment.

Refund of Tuition and Fees – A student withdrawing from school within the first ten (10) school days of the fall or spring semester, within the first five (5) days of an eight-week session, or within the first two (2) days of a four-week session will be eligible to receive a 100% refund for all tuition and fees. The student must withdraw in accordance with the published NEO A&M College Withdrawal Policy to receive the refund (See "Withdrawal from College" above.)

The College will not drop you from classes unless you submit the appropriate documentation to withdraw or do so electronically by emailing the Admissions/Registrar's office from your NEO email account. If you do not officially withdraw you could be charged tuition and fees and could receive failing grades. The College does request a no-show list from each instructor that includes any student(s) that did not participate/attend their course during the add/drop period. A student could be dropped from courses if all instructors submit that the student did not attend ANY course during the add/drop period.

Graduation – NEO students may receive any of the following certificates or degrees when they meet all the requirements outlined in the NEO College Catalog and have a 2.0 GPA:

One-year certificate; Two-year certificate; Associate in Applied Science Degree; Associate in Arts Degree; Associate in Science Degree

Paperwork for graduation must be completed and submitted to the Registrar's Office **by July 15 for fall graduation and December 1 for spring graduation**. The student and his/her advisor will complete a degree check and the Registrar will verify the degree check. **STUDENTS WILL HAVE THE OPTION TO PARTICIPATE IN THE COMMENCEMENT EXERCISE WHICH IS HELD EACH YEAR IN MAY.**

Identification Cards – All students must obtain a student ID and are required to have their picture taken during registration. The Smart Card admits students to all home athletic contests free. If a student is unable to present a Smart Card, the student must pay the regular student admission prices. The Smart Card is also used for many other campus services and costs \$15. Students must carry a Smart Card for identification purposes at all times while on campus. Failure to do so can result in a \$25 fine. If you lose your identification card a replacement may be issued for a fee. Identification cards are issued at the Campus Police Department.

Financial Aid

Purpose – NEO's Financial Aid Program is administered through the Office of Financial Aid and has a dual purpose:

- i. To provide financial assistance to qualified students who could not otherwise finance their education and;
- ii. To offer budget counseling.

Qualifications – In order to qualify for Title IV and NEO financial aid, a student must be a high school graduate or have a GED .

Grants and Scholarships – Several types of scholarships and tuition waivers are available to students. They include, but are not limited to: Dobson Presidential Award, Norse Honor Scholarship, Tri-County Scholarship, Viking Scholarship, athletic scholarships (awarded by the coaches), talent scholarships (based on expertise in a special area such as band, music, drama, livestock judging, etc.) and Out-of-State Tuition Waiver. Most scholarships are provided from funds donated to the college. Five percent of the current Education and General Budget is allocated for tuition waivers.

Federal Pell Grant – A Federal Pell Grant, unlike a loan, does not have to be repaid. Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or professional degree. A professional degree would include a degree in a field such as pharmacy or dentistry. For many students, Pell Grants provide a foundation of financial aid to which other aid may be added.

Oklahoma Tuition Aid Grants (OTAG) – The Oklahoma Higher Education Tuition Aid Act authorizes a program of grants to assist Oklahoma college students with demonstrated financial need. Oklahoma residents may apply for this aid through the Free Application for Federal Student Aid (FAFSA). Please be aware of the application deadline.

Federal Supplemental Educational Opportunity Grant (FSEOG) – a Federal Supplemental Education Opportunity Grant (FSEOG) assists undergraduates with exceptional financial need; that is, students with the lowest expected family contributions (EFC) and gives priority to students who receive Federal Pell Grants. An FSEOG does not have to be repaid. Monies are limited, however, and will be awarded to both full and part-time students according to priority until they are exhausted. The maximum award is \$500, and the minimum award is \$100.

Federal College Work-Study Program (FCWS) – The FCWS program is a need-based award. This is primarily a campus employment opportunity for a student who wishes to work during each semester to help offset their college expenses. Students are paid a

minimum wage bi-weekly and may work up to 20 hours per week while enrolled in classes. Any student interested in this program should notify the office of financial aid. NEO also offers some off-campus positions called community service where students work directly with the public in not-for-profit agencies and the federal program pays 100% of the student's wages. In addition, the College offers an America Reads and American Counts Program where students work with elementary school children to increase their reading or mathematics skills. See the OFA for additional details on these programs, which are highly recommended for students who are interested in Elementary Education or a related field.

William D. Ford Federal Direct Loan Program (DL) – Federal Stafford Loans (Stafford Loans) are a major form of self-help aid and are available through the Direct Loan Program. Funds for the Direct Loan Program come from the U.S. Department of Education. Stafford Loans are either subsidized or unsubsidized. A subsidized loan is awarded based on financial need. The federal government pays interest on the loan (i.e., “subsidizes” the loan) until you begin repayment and during authorized periods of deferment. An unsubsidized loan is not awarded based on need. You'll be charged interest from the time the loan is disbursed until it is paid in full. If you allow the interest to accumulate, it will be capitalized – that is, the interest will be added to the principal amount of your loan and will increase the amount you have to repay. If you choose to pay the interest as it accumulates, the total amount you pay will be less. An undergraduate student can borrow up to \$3,500 if (s)he is a first-year student enrolled in a program of study that is at least a full academic year, or up to \$4,500 once (s)he has completed 30 hours and the remainder of her/his program is at least a full academic year.

Federal Direct PLUS Loans – A Federal PLUS loan enables parents with good credit histories to borrow for each child who is enrolled at least half-time and is a dependent student. These loans, like federal Stafford Loans, are obtained directly from the U.S. Department of Education. Loan funds may be used only to pay for a student's educational costs. Loan amounts are up to the student's cost of attendance minus any other aid.

Vocational Rehabilitation – The State of Oklahoma's Department of Rehabilitation Services operates a vocational rehabilitation-training program that assists individuals with severe physical and/or mental impairments to obtain job skills and prepare for employment. Services for individuals with qualifying impairments include, but are not limited to, assistance with tuition and fees, textbook allowance, transportation allowance, uniforms and supplies, mobility/accessibility, durable medical equipment, interpreters, and other disability related services.

Bureau of Indian Affairs Grants – The United States Government, through the Bureau of Indian Affairs, provides annual scholarship grants to Indian students to help them attend institutions of higher learning. In order to qualify for an award, the student must show a tribal membership card or CDIB card to his home agency, have a high school diploma or GED certificate, be accepted for admission by the College of his/her choice, prove need of financial aid through PELL and complete an interview with a home agency. High school seniors may apply for college admission prior to graduation and should contact the Tribal Office for an official need analysis at the earliest possible date. Students should apply for the fall semester in April and for the spring semester in October. Indian students planning to attend Northeastern Oklahoma A&M College must complete the following:

1. Free Application for Federal Student Aid (FAFSA)
2. Application for Admission
3. Application for BIA grant from appropriate agency.

NOTICE TO ALL FINANCIAL AID RECIPIENTS

Stafford loans will be disbursed each semester on a schedule determined by the Office of Financial Aid. Under federal regulations, funds for first time Stafford Loan borrowers must

be delayed 30 days from the beginning of the first semester of attendance. Also, Stafford loans must be disbursed in two (2) disbursements for students attending only one (1) semester. Other financial aid disbursement schedules will be announced at the beginning of each semester.

Student Responsibilities

Student Aid Program Requirements – Each financial aid program has specific conditions and it is the student's responsibility to carefully study and know these conditions. Program conditions are displayed in Financial Aid Self-Service at the time a student accepts their awards.

Change in Financial Resources – If a student's financial circumstances change after an award has been made, the student must inform the Office of Financial Aid immediately. Documented changes may alter eligibility status and the amount of financial aid a student receives.

Overaward – If a student receives more financial aid than is needed to cover the student's educational costs, it is called an overaward. If a student receives an overaward, the student may have to repay part or all of the financial aid received. Therefore, students should include all financial resources on the aid application and notify the Office of Financial Aid of any new resources after the award has been made.

Change of Address – Students must notify the Office of Admission if there is an address change while attending college. In addition, if a student is a loan recipient, it is the student's responsibility to notify NEO and the student's lender of any address change while repaying the loan, even if the student is no longer attending NEO.

Management of Funds – Student financial aid is normally awarded for an academic year and students will receive funds for each semester on designated dates. Financial aid should be managed carefully so as not to deplete funds before the end of the semester.

Withdraw from College – Students must complete an official withdrawal in writing if voluntarily withdrawing from college. Official withdraw forms are available in the Admissions Office. Withdraw from the College may result in suspension of financial aid under NEO's required academic progress policy. If NEO determines that you have stopped attending classes without withdrawing you could be responsible for returning funds to Title IV.

Cancellation of Aid – Student aid will be cancelled and future applications may be refused consideration if a student does any of the following: provide false data; enroll in fewer than the minimum hours required for your type of aid; fail to report a change in financial resources; fails to fulfill the satisfactory academic progress requirement; uses financial aid funds for expenses unrelated to education; withdraws from the College. Cumulative grade point average, calculated by college registrar, shall be used in determining a student's eligibility to participate in Title IV programs; **NOTE:** Audited courses are not applicable when computing attempted or completed hours.

Financial Aid Satisfactory Academic Progress

Federal regulations (CFR 668.34) require that a student maintain satisfactory academic progress in the course of study being pursued, according to the standards and practices of the institution in which they are enrolled in order to receive aid under the Higher Education Act. These programs at NEO A & M include the Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Work Study, Direct Stafford Loans, (subsidized and unsubsidized) Federal PLUS Loan, and Oklahoma Tuition Aid Grant and Oklahoma's Promise. NEO must use both a *qualitative standard* (GPA) and a *quantitative standard* (time-based). The following

policies apply to all students attending NEO, ***whether or not the student has or will receive financial aid at NEO.***

MINIMUM REQUIREMENTS FOR SATISFACTORY ACADEMIC PROGRESS

Qualitative Progress Requirement (GPA)

- A student's cumulative Grade Point Average (GPA) will be evaluated at the end of each semester. In order to be considered making satisfactory progress, a student's cumulative GPA must be 2.0 or above on a 4.0 scale.

Quantitative Progress Requirement (Pace)

- At the end of each semester, a student must have satisfactorily completed at least two-thirds, or 67%, of all attempted hours, including transfer credits. Attempted credit hours are those courses for which any grade appears on the student's transcript, including transfer credits, remedial courses, withdrawn courses, and repeated courses.
- In order to determine a student's pace, all hours successfully completed are divided by all hours attempted, including all transfer credits, remedial courses, withdrawn courses, and repeated courses.
- Grades of F, W, AW, WF, WP, I, DEV-D, DEV-F, and DEV-I are considered hours attempted but not completed successfully for satisfactory academic progress.

Maximum Time Frame

- The maximum timeframe for which an undergraduate student may receive financial aid may not exceed 150% of the published length of their academic program, measured in credit hours, whether or not the student received any federal aid during this time frame.
- For example, if the published length of a program of study is 60 hours, the maximum number of hours the student may attempt cannot not exceed 90* hours. This includes all transfer hours and prior learning credits that apply toward the student's current degree.
- When it becomes mathematically impossible for a student to complete their degree in the maximum time frame due to an extremely low pace and/or GPA, the student will lose eligibility for further federal student aid at that time.
- For the length of your particular program, please refer to the NEO catalog.
- **60 credit hours x 150% = 90 credit hours*

Remedial Courses

Remedial courses are eligible for financial aid and will count toward a student's attempted hours for the purpose of determining a student's Pace. Grades of DEV-D, DEV-F, and DEV-I are considered hours attempted, but not successfully completed and will affect the student's pace calculation.

Incompletes

Incomplete grades are considered hours attempted but not completed successfully, until the "I" is removed and changed to a valid letter grade.

Repeated Courses

Students may receive financial aid for repeating a course one (1) time. When a course is repeated, the grade given at the end of the repeated course becomes the official grade. Both grades will remain on the permanent record, but the second grade is used to compute the GPA in the calculation of a student's Satisfactory Academic Progress status. Each repetition will count towards the attempted hours; however, only the course(s) being counted in the GPA calculation will be counted in completed hours for SAP.

Transfer Credits

Transfer credit hours are subject to Satisfactory Academic Progress measurements. All courses from all previous schools are used in the calculation of a student's grade point average. Transfer courses that are accepted toward a student's degree at NEO will be counted as attempted hours.

Withdrawn Courses

Courses that a student withdraws from after the refund, or drop/add period, are considered hours attempted toward a student's pace and maximum time frame.

Changes in Major or Degree

When a student changes major or degrees, the 150% maximum time frame still applies to all credit hours earned at NEO that count toward the new degree, as well as all transfer credits accepted. A student is only eligible to receive financial aid for the completion of three (3) degrees or certificates at NEO.

CONSEQUENCES OF FAILURE TO MEET SATISFACTORY ACADEMIC PROGRESS REQUIREMENTS

FINANCIAL AID WARNING

The first semester a student fails to maintain satisfactory academic progress (SAP) by the end of a semester, the student automatically receives a **Financial Aid Warning** semester. A student in **Warning** status is still eligible to receive financial aid, but is notified via email that their progress must meet the minimum requirements the following semester or the student will be placed on Financial Aid Suspension.

FINANCIAL AID SUSPENSION

After the **Warning** semester, if a student is still not meeting the minimum requirements for SAP, the student will be placed on Financial Aid Suspension. Students on Financial Aid Suspension are not eligible to receive any federal financial aid; including the Federal Pell Grant, Federal Direct Stafford Loan (both subsidized and unsubsidized), Federal PLUS Loan, Federal Supplemental Education Opportunity Grant (SEOG), Federal Work Study, Oklahoma Tuition Aid Grant (OTAG), and Oklahoma's Promise.

FINANCIAL AID APPEAL PROCESS

- Students who have been placed on financial aid suspension may appeal the decision if there are extenuating circumstances. Extenuating circumstances include, but are not limited to illness, death in the family, and hospitalization.
- The appeal must be submitted in written form to the Office of Financial Aid. Appeal forms are available in the Office of Financial Aid and on the Forms page of the NEO Financial Aid webpage. The student's appeal will be forwarded to the Financial Aid Suspension Appeals Committee. This committee consists of the Vice President of Student Affairs, the College Registrar, and the Vice President of Fiscal Affairs. Students should provide supporting documentation with their appeal, if possible, and may be asked for more information by the committee.
- The student will be notified, in writing, of the Appeal Committee's decision. ***The decision of the committee is final and cannot be appealed.***
- If the student's appeal is approved, they will be placed either on Financial Aid Probation or on an Academic Plan, depending on the circumstances surrounding their appeal.
- A student may appeal their suspension two (2) times.

FINANCIAL AID PROBATION

Students on Financial Aid Probation can receive financial aid for one (1) semester. If the student is still not making SAP at the end of the probationary semester, they will be placed on Financial Aid Suspension again.

ACADEMIC PLAN

An Academic Plan is an option for some students instead of Financial Aid Probation. An Academic Plan is a plan of study that will include a minimum number of hours and term GPA that a student must complete over the course of more than one semester. If the student follows and successfully completes the Academic Plan, they will be making SAP at the end of the plan timeframe. Each student's Academic Plan will be unique and may include specific courses, or other requirements, depending on the student's situation.

RE-ESTABLISHING ELIGIBILITY

If a student's financial aid appeal is denied, the student may re-establish eligibility for financial aid by successfully meeting the minimum standards for satisfactory academic progress. This can include taking classes at NEO or transferring hours from another institution.

Return to Title IV Policy

The Higher Education Amendments of 1998 changed the formula for calculating the amount of aid a student and school can retain when the student totally withdraws from all classes. Students who withdraw from all classes prior to completing more than 60% of an enrollment term will have their eligibility for aid recalculated based on the percent of the term completed. For example, a student who withdraws completing only 30% of the term will have "earned" only 30% of any Title IV aid received. The School and/or the student must return the remaining 70%.

Total institutional charges (times) percent of unearned aid = Amount returned to program(s)

- Unearned Title IV aid shall be returned to the federal programs in the following order:
 - Unsubsidized Stafford Loan
 - Subsidized Stafford Loan
 - Parent Loans (PLUS)
 - Federal Pell Grant
 - Iraq and Afghanistan Service Grant
 - Federal SEOG
- When the total amount of unearned aid is greater than the amount returned by NEO from the student's account, the student is responsible for returning unearned aid to the appropriate program(s) in the order as follows:
 - Unsubsidized Stafford Loan*
 - Subsidized Stafford Loan*
 - Parent Loans (PLUS)*
 - Federal Pell Grant**
 - Iraq and Afghanistan Service Grant
 - Federal SEOG**

*Loan amounts are returned within the terms of the master promissory note.

**Amounts to be returned by the student to federal grant programs will receive a 50% discount.

Students Enrolled in Modules

- Student who are enrolled in classes that do not span the entire semester are considered to be enrolled in "modules".
- Students who are enrolled in modules are considered withdrawn under the following circumstances:
 - Have withdrawn from school and are not scheduled to begin another course within the payment period for more than 45 calendar days after the end of the module the student ceased attending.
 - Have not given NEO written confirmation that they will attend a future module in the same semester that begins no later than 45 calendar days after the end of the module the student ceased attending.
 - Withdrawal exemptions for student enrolled in modules.
 - Student completes all the requirements for graduation before completing the semester.
 - Student successfully completes one module that includes 49% or more of the number of days in the semester, excluding scheduled breaks of five or more consecutive days and all

days between modules. Successful completion means earning a passing grade.

- Student successfully completes at least six hours for the semester.

Post-Withdrawal Disbursement

- If a student has accepted his/her federal aid and it has not been disbursed, the reason for the non-disbursal will be determined. If any of the conditions below have been met the aid will be included in the “Aid that Could Have Been Disbursed” section of the calculation to determine if a post-withdrawal disbursement is due:
 - Federal Pell Grant-ISIR received with an “official” EFC preceding the withdrawal date and the student meets all other eligibility requirements.
 - FSEOG-Aid was awarded prior to withdrawal date.
 - Direct Subsidized, Unsubsidized, and PLUS loans-Loan had originated prior to withdrawal date and Master Promissory Note was signed prior to R2T4 calculation date.
 - If the post-withdrawal disbursement calculation indicates that a post withdrawal disbursement is due from grant funds and a student has outstanding institutional charges, the funds will automatically be applied to the student’s account. If the calculation indicates that a post-withdrawal disbursement is due from loan funds the student/parent is sent a letter notifying them of the amount available. The student/parent is asked to return the letter within 14 days indicating whether they wish to receive the aid and if so, the amount. When a loan is offered, the letter contains language reminding the student of the loan obligation should they choose to receive it. If the letter is not received within 14 days but is received within the applicable late disbursement provisions outlined in 34CFR168.164 and the student/parent requests the funds, NEO will disburse the funds.
- Refunds and adjusted bills will be sent to the student's home address on file in the Office of Admissions, following withdrawal. Students are responsible for any portion of their institutional charges that are left outstanding after Title IV funds are returned.

Unofficial Withdrawal

- Instructors must report a “last date of attendance” (LDA) when giving a student a failing grade in a term. The LDA as reported by a student’s instructors will be used to determine the date when a student ceased attending classes.
- Students who receive failing grades in all of their classes in a term, because of non- attendance, will be considered to have “Unofficially Withdrawn” from NEO.
- Students who are considered an “Unofficial Withdraw” will be subject to the same Return to Title IV policy as students that officially withdraw from NEO.
- **Institutional and student responsibilities in regard to the return of Title IV funds:**
 - NEO's responsibilities in regard to the return of Title IV funds include:
 - providing each student with the information given in this policy;
 - identifying students who are affected by this policy and completing the Return of Title IV Funds calculation for those students:

- Returning any Title IV funds that are due the Title IV programs.
- The student's responsibilities in regard to the return of Title IF funds include:
 - becoming familiar with the Return of Title IV Policy and how complete withdrawal affects eligibility for Title IV aid;
 - Returning to the Title IV programs any funds that were disbursed directly to the student and which the student was determined to be ineligible for via the Return of Title IV Funds calculation.
 - The fees, procedures, and policies listed above supersede those published previously and are subject to change at any time.
 - Any notification of a withdrawal or cancellation of classes should be in writing and addressed to the Office of Admissions.

*If you would like examples of the refund policy, contact the
Financial Aid Office.*

 - B. Instructors are expected to:
 1. Understand and uphold this academic integrity policy and procedures, as well as reasonable standards established within the guidelines.
 2. Clearly discuss and communicate information about academic integrity to students.

3. Conduct vigilant exam security and proctoring.
4. Give clear instructions for homework and projects.
5. Fairly and consistently evaluate students and award credit based on professionally judged academic performance.
6. Trust students to follow the academic integrity policy until sufficient information substantiates a violation, then confront the students with information about the alleged violations, follow the procedures, and report the violations.
7. Fairly evaluate the information that may indicate a student has violated academic integrity.
8. Treat students with respect while violations are examined or appealed.
9. Trust the Department Chairs, the Vice President for Academic Affairs, and any committee selected to enforce the academic integrity policy and procedures when violations are appealed.

II. Behaviors that violate the fundamental values of academic integrity may include but are not limited to:

- A. Plagiarism: Presenting the written, published, or creative work of another as the student's own work. Whenever a student uses others' work, arguments, data, designs, etc., in a paper, a report, an oral presentation, or other assignment, the student must correctly cite the appropriate references or sources. The student must fully indicate the extent to which any part or parts of the project are attributed to others. The student must also provide citations for paraphrased materials. The following are examples of plagiarism:
 1. Copying or paraphrasing material from an Internet or written source without proper citation.
 2. Copying words and then changing them slightly, even if the source is cited.
 3. Copying verbatim without using quotation marks, even if the source is cited.
 4. Expressing in the student's own words someone else's ideas without the proper credit.
 5. Copying another student's assignment, computer program or examination with or without permission from the author.
 6. Copying another student's computer program and changing only minor items such as logic, variable names, or labels.
 7. Submitting a paper obtained in full or in part from a term paper "mill" or website.
- B. Unauthorized collaboration: Working on laboratory work, homework, take-home examinations, projects, or other assigned work with others

when individual work is required; excessively relying upon and borrowing the ideas and work of others in a group effort.

- C. Multiple submissions: Submitting substantial portions of the same academic work for credit to more than one class (or for the same class if the student repeats a course) without permission of the instructor.
- D. Online coursework completed by another individual: Having a person other than the student who enrolled in the course complete a portion or all of the assignments and/or evaluations in the online course or hybrid course.
- D. Cheating on examinations or assignments:
 - 1. Gathering unauthorized information before or during an examination from others; using notes, cell phones, or other unapproved aids during an examination.
 - 2. Unauthorized advance access to examinations, obtaining an advance copy of an examination without the instructor's permission or getting questions and answers from someone who took the examination earlier.
 - 3. Failing to observe the rules governing the conduct of examinations (for example, continuing to work on an examination after time is called at the end of the examination).
 - 4. Unauthorized access to an Instructor's Edition of a textbook or the solutions manual for a course and use of this information to complete examinations or assignments.
 - 5. In a course requiring computer work, copying another student's program rather than writing one's own.
 - 6. Substituting for another person or allowing another person to substitute for oneself in the taking of an examination.
- E. Fabricating information: Making up references for a bibliography, falsifying laboratory or research data, or using a false excuse for an absence or an extension on a due date.
- F. Altering or destroying the work of others: Changing or damaging computer files, papers, or other academic products that belong to others.
- G. Fraudulently altering academic records: Altering graded papers, computer materials or records, course withdrawal slips, or academic documents. This includes forging an instructor or advisor signature and altering transcripts.

- H. Assisting another person in any of the above examples of academic misconduct.
 - I. Other behaviors identified by the instructors.
- III. A student who is found responsible of an act of academic misconduct may be subject to one or more of the following sanctions:
- A. The student may receive a failing grade on the assignment or examination.
 - B. The student's grade for the course may be reduced, including a reduction to the grade of "F."
 - C. The student may be suspended from NEO A&M.
- IV. Procedures in cases of academic misconduct
- A. The instructor discovers sufficient information to substantiate an alleged violation of academic integrity. The information should support a determination that it is "more likely than not" that a violation of academic integrity occurred.
 - B. Within five school days of the discovery date, the instructor prepares an Academic Integrity Notification Form and gives the form to the student or sends the form to the student's NEO email address. A school day is defined as a regular class day during the fall or spring semester. (If a student is enrolled in a class during the summer school or intersession, a school day includes regular class days during the term.) The discovery date is defined as the date when the instructor obtains sufficient information to determine if it is "more likely than not" that a violation occurred; the instructor may take a reasonable amount of time to gather additional information before making the determination.
 - C. Once the instructor has identified an alleged violation of academic integrity, the student may not drop the course until the issue is resolved. Students who drop the course will be re-enrolled by the Registrar.
 - D. Within five school days of receiving the Academic Integrity Notification Form, the student contacts the instructor to schedule a meeting.
 - E. If the violation is the student's first violation, the meeting involves the student and the instructor and results in one of the following:

1. The instructor and the student agree that no violation of academic integrity occurred. The student will sign the Academic Integrity Resolution Form. The instructor gives a copy to the student, retains a copy, and sends a copy to the appropriate Department Chair. No further action is needed.
2. The student admits responsibility for a violation and accepts the instructor's sanction. The instructor gives a copy to the student, retains a copy, and sends a copy to the appropriate Department Chair.
3. The student admits responsibility but does not agree with the sanction. To initiate an appeal, the student must submit documentation to the Department Chair within five school days after signing the Academic Integrity Resolution Form. The instructor will provide the necessary documentation to the Department Chair.
4. The student denies responsibility for the alleged violation and does not agree with the sanction. The instructor assigns a sanction and refers the case to the Department Chair. To initiate an appeal, the student must submit documentation to the Department Chair within five school days after completing the Academic Integrity Resolution Form. If agreement is reached concerning the sanction, no further action is necessary.
5. The student fails to appear for the resolution meeting. After the instructor and the Department Chair discuss the alleged violation, the instructor assigns a sanction. The Department Chair signs the Academic Integrity Resolution Form. The instructor sends a copy to the student's NEO email address, and retains a copy. The Department Chair retains a copy and sends a copy to the Office for Academic Affairs.
6. If the student does not accept the sanction, the student, the instructor, the Department Chair, and the Vice President for Academic Affairs meet to determine if the student has violated academic integrity. If the student agrees with the sanction, no further action is required.
7. If the student does not agree to the sanction after meeting with the instructor, the Department Chair, and the Vice President for Academic Affairs, a committee composed of two (2) students, two (2) faculty members, and two (2) administrative personnel will review the documentation and determine if the student has violated academic integrity. The committee's decision is final.
8. The assigned sanction becomes final if the student does not submit documentation to the Department Chair by the five-school-day deadline.
9. The instructor may permit the student to drop a course with a grade of "W" if the allegation is dismissed or if the student admits

responsibility for the violation. However, the student must meet the required deadline for grade of a "W."

- F. A student who is accused of a second alleged violation of academic integrity with a sanction of a "zero" or "F" on an assignment or examination will be directly referred to the appropriate Department Chair.
1. At this time the student, the instructor, the Department Chair, and the Vice President for Academic Affairs will meet to determine if the student is responsible for violating academic integrity. If the student is found responsible for violating academic integrity, the student will be suspended from NEO A&M for no less than one regular (fall or spring) semester. The student will also be suspended from the subsequent summer session.
 2. In rare circumstances, the instructor, the Department Chair, and the Vice President for Academic Affairs may consider a different sanction if the two violations occur in different classes.
 3. If a student follows the appeal procedure and an agreement has not been met with all parties concerned, a committee of two (2) students, two (2) faculty members, and two (2) administrative personnel will be assigned to review the written materials and documentations. After the committee reviews the materials and documentations, its findings will be final.
- G. Third violation: A student who has three reported violations will be suspended.

Note: In the event an incident is not resolved at the time grade reports are due to the Registrar (e.g., an alleged violation is discovered during the final examination period), an incomplete grade should be assigned until the allegation is resolved.

Academic Probation/Suspension

Academic Notice – If a freshman student with less than thirty (30) hours has a cumulative GPA between 1.7 and 2.0, (s)he will be placed on academic notice. To remove the academic notice, the student must raise his/her cumulative GPA to above a 2.0.

Academic Probation – If a student with less than thirty (30) hours has a cumulative GPA of less than 1.7, (s)he will be placed on academic probation. If a student with more than thirty (30) hours has a cumulative GPA of less than 2.0, (s)he will be placed on academic probation. Student on academic probation will be required to enroll in CLS 1023 Strategies for Academic Success class the following semester, as a part of the curriculum for CLS

1023 students will be required to meet with a success coach. To remove the academic probation, the student with less than thirty (30) hours must raise his/her cumulative GPA to above a 1.7. The student with more than thirty (30) hours must raise his/her cumulative GPA to a 2.0. Student who achieves a 2.0 GPA for twelve (12) hours of regularly graded coursework but have a cumulative GPA of less than 2.0 will remain on continued probation.

Academic Suspension – If a student who was on academic probation the previous semester fails to raise his/her GPA to 2.0 or achieve a 2.0 GPA for twelve (12) hours of regularly graded course work, not to include activity or performance courses, the student will be suspended from NEO.

Academic Suspension Appeals – Suspended student have the right to appeal to the Academic Appeals Committee. The suspended student must document any extraordinary personal circumstances that contributed to his/her academic deficiencies.

Re-admissions of Suspended Students – Academically suspended students will not be allowed to re-enter NEO until one regular semester, either fall or spring, has elapsed, unless an academic suspension appeal is submitted and granted. Suspended students may be re-admitted only once and have probationary status. Should a re-instated student be suspended a second time, (s)he cannot return to NEO until such time as (s)he has attended another institution and raised her/his cumulative GPA to the retention standards.

Re-instatement of Suspended Students from Other Institutions – Students suspended from other institutions will be treated the same as students suspended from Northeastern Oklahoma A&M College. Students have the right to appeal to the Academic Appeals Committee for immediate admission.

Assessment Plan

The Oklahoma State Regents for Higher Education and the Higher Learning Commission requires all accredited institutions to assess student academic achievement. NEO complies with this requirement by administering internally prepared and externally prepared assessment measures.

Class Attendance Policy

Students are expected to attend class regularly and participate fully according to individual instructor's requirements. A record of the student's attendance will be kept and all absences are considered unexcused until work is completed according to the instructor's make-up policy.

Academic Warning System

The academic warning system is a method of informing students of their standing in a class. When receiving an academic warning, the student should consult with their advisor and/or the instructor who issued the warning. For students identified with excessive absences, appropriate corrective action should be taken within the following time period, or the instructor has the right to administratively withdraw the student from the class.

- 10 business days for a 16-week course
- 5 business days for 8-week course
- 3 business days for a 4-week course

Instructors also have the right to reinstate a student who has been administratively withdrawn from class.

Grade Appeals Policy

It is the responsibility of the faculty members of NEO to communicate to students early in the term a clear statement of the grading practices and procedures that will be used to determine the student's final grade. If a student believes in good faith those practices and procedures were not consistently and accurately followed when the faculty member determined the student's final grade, the student shall have the right to appeal the case to the Academic Appeals Board (AAB) if informal discussion fail to resolve the issue.

In hearing a case, the AAB shall base its decision of changing the assigned grade solely upon whether the grade was assigned fairly within the grading system adopted and whether the grading system was announced by the faculty member. In all other instances, the case will be referred back to the departmental and college levels for resolution.

The AAB has the authority to instruct the Registrar to change a final course grade.

The AAB consists of six faculty members and four students who are appointed by the President of the College. One faculty member serves as a chair and votes only in case of a tie vote. Another faculty member is designated as the co-chair and serves in the absence of chair. A quorum for the Board shall consist of six voting members, four of whom are faculty. In addition, the Board will be assisted by an executive assistant who is appointed by the Vice President for Academic Affairs.

Procedure – In cases where a student appeals in a final course grade and where allegations of academic dishonesty are not involved, the following procedures shall be utilized:

1. The student obtains and completes and appeal form. Appeal forms are available at the Office of the Vice President for Academic Affairs. In completing the form, the student must discuss the action with his/her advisor, his/her instructor, the instructor's department chair, and the Vice President for Academic Affairs. The deadline for filing grade appeals is no later than four months after the date the grades are officially due in the Registrar's Office or six weeks after the student begins a new semester, whichever comes first.
2. Form is submitted to the Executive Assistant of the Appeals Board. The Executive Assistant, who can be contacted in the Office of the Vice President for Academic Affairs, accepts the form and notifies all parties concerned when the case is ready for hearing. Prior to the hearing, the student will receive a copy of the instructor's verification form and the instructor will receive a copy of the student's form and written statement. The Executive Assistant to the Academic Appeals Board meets with both the instructor and student before the hearing is scheduled to obtain information pertaining to the case.
3. Appeal Board schedule and hearing. The date and time of the hearing are confirmed by mail after agreed upon by telephone. The parties will be responsible for presenting their witnesses and any documentary evidence. The hearing is otherwise closed to non-parties.
4. Instructor's verification form. If a student has conferred with the instructor in question and has delivered the appropriate form to the instructor but the completed instructor's form is not returned in a reasonable amount of time, the AAB may hear the case without the instructor's form. In such a case the AAB should hear the case without prejudice and the obligation and right to the instructor to present evidence and testimony before the Board should not be restricted. A statement of this policy and the address to which the forms are to be returned are included on the instructor's grade appeal form.
5. Appeals Board renders decision. Written notice of the decision is sent to the student, the student's advisor, the instructor, the instructor's department

chair and the Vice President for Academic Affairs. When the Board votes to alter a grade, the decision is sent to the Office of the Registrar and the grade is changed.

The procedures of the AAB assume the faculty will ensure the existence of and preservation of relevant evidence in the form of major projects and exams. (A major project or exam is one that is worth ten percent or more of the final grade.) The Faculty member is expected to do this by (a) returning the project or exam to the student, or (b) retaining it for a period not less than the time during which an appeal can be made. It is understood that if the faculty returns the work, the student shall be provided a reasonable opportunity to pick it up.

Midterm and Final Grades

NEO issues midterm grades by the 7th week of each fall and spring semester. These grades are not official. Final grades are issued at the end of each term after semester finals.

Grade Points – To compute your grade point average (GPA), multiply the number of credit hours by the following scale and then divide this product number by the number of credit hours.

A = 4 points

B = 3 points

C = 2 points

D = 1 point

F = 0 points

For example, a student who made six (6) hours of “C” and nine (9) hours of “B” would have a GPA of 2.6. Six (6) hours C x 2 = 12 and Nine (9) hours B x 3 = 27; 15 hours/39 = 2.6 GPA

Drug and Alcohol Policy

Purpose – The Drug Free Schools and Communities Act Amendment of 1989 requires an institution of higher education to certify to the U.S. Department of Education by October 1, 1990, that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees in order to remain eligible for federal financial assistance of any kind. This policy is adopted by Northeastern Oklahoma A&M College to comply with this statutory directive.

Policy – As set forth in local, state, and federal laws, and the rules and regulations of the College, Northeastern Oklahoma A&M College prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees in buildings, facilities, grounds, or other property owned and/or controlled by the College or as part of Northeastern Oklahoma A&M College activities either on or off-campus. The possession or use of alcohol on college-sponsored trips is prohibited. .

Internal Sanctions – Any student or employee of the College alleged to have violated this prohibition shall be subject to disciplinary action including, but not limited to, expulsion, termination of employment, referral for prosecution and/or completion, at the individuals

expense, of an appropriate rehabilitation program. Any disciplinary action shall be taken in accordance with applicable policies of the College. A criminal conviction is not required for sanctions to be imposed upon an employee or student for violation of this policy.

External Sanctions – Local, state, and federal laws provide for a variety of legal sanctions for the unlawful possession and distribution of illicit drugs and alcohol. These sanctions include, but are not limited to, incarceration and monetary fines.

Information regarding these local, state, and federal laws may be found in the Learning Resource Center and is available to students and employees. Students and employees are encouraged to review this information.

Health Risks – Alcohol and other drug use represent serious threats to health and the quality of life. More than 25,000 people die each year from drug-related accidents or health problems. With most drugs it is probably that users will develop psychological and physical dependence. The general categories of drugs and their effects are as follows:

Alcohol – short-term effects that include behavioral changes, impairment of judgment and coordination, greater likelihood of aggressive acts, respiratory depression, irreversible physical and mental abnormalities in newborns (fetal alcohol syndrome) and death. Long-term effects of alcohol abuse include damage to the liver, heart and brain, ulcers, gastritis, malnutrition, delirium tremens and cancer. Alcohol combined with other barbiturates and other depressants can prove to be a deadly mixture.

Amphetamines/Stimulants - (spend, uppers, crank, caffeine, etc.) spend up to nervous system and cause increased heart and breathing rates, higher blood pressure, decreased appetite, headaches, blurred vision, dizziness, sleepiness, anxiety, hallucinations, paranoia, depression, convulsion and death due to a stroke or hearth failure.

Anabolic Steroids – seriously affect the liver, cardiovascular and reproductive systems. Can cause sterility in males and females as well as impotency in males.

Barbiturates/Depressants – (downers, Quaaludes, valium, etc.) slow down the central nervous system and can cause decreased heart and breathing rates, lowered blood pressure, slowed reactions, confusion, distortion of reality, convulsions, respiratory depression, coma and death. Depressants combined with alcohol can be lethal.

Cocaine/Crack – stimulates the central nervous system and is extremely addictive, both psychologically and physically. Effects include dilated pupils, increased heart rate, elevated blood pressure, insomnia, loss of appetite, hallucinations, paranoia, seizures and death due to cardiac arrest or respiratory failure.

Hallucinogens – (PCP, angel dust, LSD, etc) interrupt the functions of the part of the brain that controls the intellect and instincts. May result in self-inflicted injuries, impaired coordination, dulled senses, incoherent speech, depression, anxiety, violent behavior, paranoia, hallucinations, increased heart rate and blood pressure, convulsions, coma, and heart and lung failure.

Cannabis – (marijuana, hashish, hash, etc.) impairs short-term memory comprehension, concentration, coordination and motivation. May also cause paranoia and psychosis. Marijuana smoke contains more cancer-causing agents than tobacco smoke. The way in which marijuana is smoked – deeply inhaled and held in the lungs for a long period - enhances that risk of getting cancer. Combined with alcohol, marijuana can produce a dangerous multiplied effect.

Narcotics – (heroin, morphine, Demerol, Percodan, etc.) initially produce feelings of euphoria often followed by drowsiness, nausea and vomiting. An overdose may result in convulsions, coma and death. Tolerance develops rapidly and dependence is likely. Using contaminated syringes to inject such drugs may result in AIDS.

Tobacco/Nicotine – Causes death among some 170,000 people in the United States each year due to smoking-related coronary heart disease. Some thirty (30) percent of the 130,000 cancer deaths each year are linked to smoking. Lung, larynx, esophagus,

bladder, pancreas and kidney cancers strike smokers at increased rates. Emphysema and chronic bronchitis are ten (10) times more likely among smokers.

Drug/Alcohol Counseling and Rehabilitation Programs – The Northeastern Oklahoma A&M College counseling services and the employee assistance program have programs of this nature for students and employees. This program should meet the needs of the institution; however, there are other programs in the community or nearby that may better suit your needs. A list of such programs, their location and phone numbers is maintained in the above-referenced offices. Seeking from, be referred to or from these services is confidential, and will not, result in disciplinary action. Individual privacy will of course, be maintained in any counseling/rehabilitation process. In addition, the following toll-free, hotline numbers may be of use to someone needing help or advice:

Procedures – A copy of the written statement referenced above regarding the controlled substance prohibition in and on the workplace shall be disseminated to all current employees, posted in each department of the college and given to each new employee. The project director will have the responsibility of explaining this policy to employees working on a federal contract/grant.

An employee shall notify the project director, or in the absence of a project director, his/her immediate supervisor or other supervisory administrator of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

Employees may also be temporarily suspended if such is deemed necessary to protect the best interest and safety of the College, its components and participants. As an alternative to disciplinary action, the College may require satisfactory participation in a drug abuse assistance or rehabilitation program as a condition of continued employment. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by a federal, state or local health, law enforcement or other appropriate agency.

Student Complaints and Grievances

NEO A&M College is committed to providing and maintaining a fair and respectful environment where people are able to study and learn. NEO Students may need to pursue concerns or issues involving academic or nonacademic aspects of student life. NEO adopted the following procedures to provide students with a mechanism to file a formal complaint and/or grievance. Students should use the Student complaint procedure for filing a complaint not covered in other specific grievance or complaint procedures. Please refer to the NEO Student Handbook before completing the complaint form. If you are uncertain of how to file a grievance or complaint, or which process is appropriate for the issue, contact the Office of Student Affairs, located in the Student Union; 918-540-6212 or Amy Ishmael, Vice President for Student Affairs at aishmael@neo.edu.

Informal Complaint Process

The first step in resolving a difference or dispute between a student and a staff member or faculty member is for the student to meet with the NEO employee to seek a resolution. If a resolution is not achieved or if the student chooses to not to engage in a meeting with the staff member or faculty member, the student should contact the employee's supervisor to discuss the complaint and seek a resolution.

Formal Complaint Process

If the complaint is not resolved at the informal level, the student may file a formal complaint by completing the Student Complaint Form available online at <https://neo.edu/about/campus-policesafety/student-complaint-forms/> . A paper copy of the complaint form can be requested from the Office of the Vice President for Student Affairs. Paper copies should be returned to the same office.

Once the student complaint form has been submitted, it will be reviewed by the Vice President to determine which office should investigate the complaint. The Student Complaint Form and supporting documents will be forwarded to the Vice President responsible for the persons or areas named in the complaint.

The Vice President assigned to the investigate the complaint will contact the student within five (5) business days to arrange a formal meeting to discuss the complaint. The meeting will be at a mutually agreeable time and date within normal business hours and, if possible, within 10 days of contact with the student. The Vice President may request additional information, documentation or supporting materials at or before the formal meeting with the student. If the Vice President is unable to meet at the scheduled time, the student will be notified in advance and arrangements will be made to reschedule the meeting.

If the student is unable to meet at the schedule time, the student should contact the Vice President's office prior to the meeting time to reschedule the meeting.

Once the designated Vice President has investigated the complaint, the Vice President will send the student a written decision regarding the complaint. Written communication with the student may be in the form of email, using the College's official email address, or by postal mail.

Tuberculosis Screening for International Students

Groups to be Screened for TB – All international students must be screened for freedom from tubercular disease within ten (10) days of arrival on the NEO A&M campus. Test results remain confidential.

Screening Tests and Procedures – The NEO A&M school nurse will provide screening for all first-time arrival and transfer international students. Persons with a positive TB skin test will be required to have further screening at the Ottawa County Health Clinic, including the probability of a chest x-ray. Prophylactic medication and follow-up may also be required as determined by the Ottawa County Health Department. Test results remain confidential. **Note:** The Mantoux skin test is used when identifying persons with infection regardless of whether a BCG vaccine was received in the past.

Consequences of Failure to Meet Freedom from Tubercular Disease Requirements
– Student who do not complete TB screening within ten (10) days of arrival on the NEO

A&M Campus and who do not take subsequent screening exams or prescribed treatment regimes if necessary:

- May be prohibited from attending classes until such time as they are determined to be of no public health risk, e.g. contagious
- Will be blocked from registering for subsequent semesters
- Will not be allowed to apply for a Social Security Card

Rationale for TB Requirements – The United States takes an active role in the eradication of tuberculosis (TB) by implementing strict screening and treatment programs. These measures are necessary because TB is an airborne disease spread much like the common cold or flu. In addition, in the past few years, TB has become multi-drug resistant in countries that lack adequate medical programs and facilities. Since our society has become global, this means that if left unchecked, the disease could become incurable worldwide.

Unattended Minor Children

Because of potential safety and supervision problems, minor children will not be permitted on campus unless they are attended by a parent or guardian. No children are permitted in the classrooms or teaching areas.

It is the policy of Northeastern Oklahoma A&M College to use unclaimed or forfeited student fees, housing and auxiliary deposits as follows:

- Students who never appear for class during the semester will automatically lose their deposits. The deposits will be used to cover the accounts receivable for students fees due to NEO and will be forfeited on the enrollment reporting date for that semester
- Students who withdraw or drop out of college and do not claim refunds by the beginning of the regular semester at least two years from the last date of enrollment will automatically forfeit their deposits. First claim for each deposit will be for unpaid accounts owed to the College
- Students who graduate from the College and do not claim their refunds by the beginning of the fall or spring semester at least three months after completing graduate requirements will automatically forfeit their deposits. First claim for each deposit will be for unpaid accounts owed to the College
